ARC Centre of Excellence for Climate System Science Centre

Board Terms of Reference

The ARC Centre of Excellence for Climate System Science Board has been established as the strategic advisory body to the Centre. To enable the Board’s activities the following covers the Terms of Reference of the Board’s operations.

1) Provide strategic advice to the Centre on all matters relating to its operations.
2) Endorse, review and track progress against the Centre’s Key Performance Indicators.
3) Endorse, review and track progress on the Centre’s Strategic Plan and endorse the Annual Centre Reports
4) Identify opportunities for new initiatives and partnerships
5) Identify weaknesses in and threats to the Centre’s strategy and operations
6) Monitor and provide guidance for the Centre’s engagement in national and international initiatives, in particular the National Framework for Climate Science.
7) Provide advice for and participate in formal reviews by the ARC. Conduct at least one Board meeting per annum.
